How to Use

Wet or Dry application

1. Apply a few drops in the palm of the hands and apply directly to wet or dry hair strands.
2. Apply drops directly to the scalp and lightly massage.

- * Can be used for blow-outs, texture sets, roller sets, hot styling, and on all hair types.
- * Use according to hair type

Sales Tip

Dudley's Jojoba Vita Serum is a light multi-purpose blend of vitamins and oils that contribute to the hair's moisture balance. Softens and adds shine to lifeless hair. This product can also be used as a hot oil hydration treatment and to maintain locs and braids. It is free of parabens, sulfates, and silicones.
